Dear Mr Shorrocks,

**LCC REGISTERED PROVIDER: The Outbarn – Stonyfold Farm**  
**LCC REGISTRATION NO: EV 675**

I am pleased to inform you that you are now a Lancashire County Council registered provider.

This provider's registration is for a period of approximately 2 years until **1 November 2017**. A current copy of your public liability insurance must be held on our records at all times. It is required that you forward a copy of this insurance evidence at the annual renewal date, **1 November 2016**. This will ensure continued registration.

During the registration period it is the responsibility of the Provider to inform this office of any significant changes or amendments to the conditions you have signed up to in the Form 7 (Registration of Providers application). Unless your status on the Registered Providers database remains "current" we are unable to approve any visit applications to your facility.

Before visiting your facility or using your services a school/service must complete a visit application and risk assessment and depending on the type of visit, they may be required to forward it on to the Educational Visits Team for approval. It may be helpful to confirm this point with the group when a booking is received.

The Educational Visits Team have many providers registered on its database from all over the UK. It is not always possible for a member of our team to visit your facility however we will make every effort to visit a provider. A visit from one of our Professional Support Team will only take place whilst a Lancashire school is visiting you.

**Please note: Lancashire County Council do not allow its name or logo to be used on any advertising material produced by providers.**

If you have any question or queries, please do not hesitate to contact the Education Visits Team on the number or email address above.

Yours sincerely

**Nicky Scott**  
Head of Secondary PE, Educational/Off Site Visits and  
Learning Outside the Classroom
